SPRINT’S MOTION TO EXTEND HEARING DATE

Sprint Communications Company L.P. (“Sprint”) respectfully moves the Department to extend the hearing date in the above-referenced matter from October 24, 2002 to November 21, 2002. In support of this Motion, Sprint states as follows:

1. By Notice of Hearing for Slamming Complaint dated November 1, 2002 (“Notice”), the Department scheduled a hearing in the above-referenced matter for Wednesday, November 13, 2002.
2. Sprint’s counsel and witness received the Notice on November 12, 2002.
3. Sprint’s counsel has been advised that Sprint and the customer have settled this matter.
4. This extension should allow the parties adequate time to file the appropriate settlement documents with the Department, thereby rendering a hearing unnecessary and conserving Department time and resources.
5. Sprint respectfully requests that the Department grant this Motion to extend the hearing date in the above-referenced matter to November 21, 2002.
